General Summary

FOREWORD

The Thirty-fourth Legislative Assembly of the Province of British Columbia was dissolved on Thursday, September 19, 1991, and Writs of Election were issued on that date ordering that a provincial general election be held on Thursday, October 17, 1991.

REDISTRIBUTION

The dissolution of the Legislative Assembly brought into force, by Regulation, a new electoral map based on the recommendations of the Royal Commission on Electoral Boundaries, 1988. The number of electoral districts increased to 75 from 52 including the elimination of 17 dual-member electoral districts. Membership in the Legislative Assembly increased by six to 75 members from 69. This was the first general election in British Columbia's history to have all members returned from single member electoral districts.

NOMINATION

Nomination of candidates closed at 1:00 p.m., Friday, October 4, 1991. There were 317 candidates nominated, representing 14 political affiliations as follows:

VOTER REGISTRATION

In preparation for the general election, a special voter registration drive was conducted during June, 1991. Approximately 250,000 individuals inquired about their registration status resulting in some 70,000 additions and changes to the voters list during the pre-election drive. At the election there were two voter registration periods with registration activity as follows:

Number of voters on list at Writ Day (Day 1)	1,798,207
Days 1-10	
Additions to list	221,276
Changes of address	21,103
Deletions	75,884
Net increase	145,392
Days 20-27	
Additions to list	<u>45,455</u>
Number of voters on list at Election Day (Day 29)	1,989,054

VOTING

Once a person is registered to vote, there are many voting options that are available to the elector in addition to voting at the assigned polling place on election day.

One may vote in the office of the Returning Officer commencing the day after Nomination and continuing right up to the start of Advance Polls. This is known as Early Voting. There are four days of Advance Polls on the Wednesday, Thursday, Friday, and Saturday of the week preceding election day. Those who wish to vote during the advance poll period, but who cannot attend the advance poll in their own electoral district, may vote by absentee envelope from any other advance poll in the Province.

On election day, electors who cannot attend their assigned polling place may go to any other polling place anywhere in the Province and cast an absentee ballot for their home constituency. Returning Officers also establish mobile polls for those electors who are in hospitals, extended care facilities, and provincial institutions.

Electors who are temporarily away from the Province for any reason or who are confined to home due to a physical incapacity may vote through the use of the postal ballot if their names appear on the preliminary voters list. Application for a postal ballot may be made throughout the election period.

At the election 1,493,200 voters (75.07%) turned out to vote. The number of voters using the various options to vote were:

Early Voting	6,403
Advance Poll Voting	75,917
Regular Poll Voting	1,364,726
Absentee Voting	39,144
Postal Voting	<u>7,010</u>
Total Number Voting	1,493,200

17,291 ballot envelopes were unopened because the voter was not registered, the affidavit was incomplete, or for other reasons as set out in clauses 122(1)(d) and (e) of the *Election Act*.

One request was made under section 122(1)(c) of the *Election Act* for a recheck of the election night ballot count. The request was made on behalf of the Liberal Party candidate in the Abbotsford Electoral District.

RESULTS

Return Day for all Writs of Election was Thursday, November 12, 1991. On that date the Chief Electoral Officer certified to the Deputy Attorney General the election of the 75 members of the Legislative Assembly. The party representation of the members was:

Social Credit	7
NDP/New Democrat	51
B.C. Liberal Party	<u>17</u>
	75

REJECTED	135,363
